

## **South Weymouth Naval Air Station Redevelopment Project**

### **Open House**

A joint venture of New England Development and Brookfield Properties is proposing a redevelopment of the South Weymouth Naval Air Station (SWNAS) in Weymouth, Abington, and Rockland, which will include a mix of residential and commercial uses supported by an extensive open space network. The Project team is pleased to invite you to the following Open House to learn about redevelopment activities at SWNAS and the current Final Supplemental Environmental Impact Report (FSEIR) filed for review with the Massachusetts Environmental Policy Act (MEPA) Office:

Date and time: Thursday, November 21, 2024, 6:30 – 8:30 PM

Location: Weymouth High School, Humanities Room  
1 Wildcat Way, Weymouth

Refreshments will be provided.

For those not able to attend in-person, materials will be made available for viewing on the project website.

Additional information regarding the project can be found on the project website:
